BRANDS WE WORK WITH

MANAGED IT SOLUTIONS

SIMPLIFYING YOUR BUSINESS TECHNOLOGY

Our relationship begins with evaluating your current state of technology, including infrastructure, hardware, and line-of-business applications and Vendors. We work with you to identify your critical business processes, pain points and vulnerabilities, and perform a threat analysis to determine your business risks. Completing this process

FEATURED SERVICES

- ✓ IT Consultancy
- ✓ Managed Network/Servers
- ✓ Managed Security
- ✓ Managed Support
- ✓ Managed Workstations
- ✓ Disaster Recovery

allows us to design a managed services technology plan that aligns with your long-term business goals.

We become an extension of your business, and a true partner. Because our service plans are based on a flat monthly fee allowing you the ability to budget your IT costs annually. This fuels our commitment to continuously identify and deliver solutions that improve your efficiency and reduce downtime.

PHOTOGRAPHY & VIDEOGRAPHY

Make your business stand out with strong photos & videos to grab attention and convey your story. We take brand design to the new heights.

PHOTOGRAPHY

Our photographers shoot & edit the most eye-catching quality content that will not only leave an impression on your customers, but also grab the attention of potential customers.

VIDEOGRAPHY

When it comes to engaging your both your existing and potential clients, building your brand or telling a story, nothing beats strong video content. Our Videography team creates engaging and effective video content, regardless of the industry or product.

FEATURED SERVICES

- ✓ Marketing Photos & Videos
- ✓ Product Photography
- ✓ Promotional Videos

SOLARJUICE
